T.E.A.C.H. INFORMATION

What will T.E.A.C.H. pay for?

T.E.A.C.H. scholarship contracts are for one year each, supporting tuition for 9-24 college credits per year, books, travel costs, contract sign-on and completion bonus. The individual attending school (or their Pell grant) and/or the employing program supports a percentage of this investment.

Where can you go to college?

To earn a CDA, AA or BA a participant can use T.E.A.C.H. to attend any community college or four-year college/university in Iowa. For Master's level programs a participant must choose one of the approved degree programs at Iowa's three state universities.

What are the scholarship options?

The answer to this question depends on your end goal (CDA®, associate degree, etc), and your current job. There are options for credentials, certificates, associate, bachelor and master scholarships. This information can also be found in the T.E.A.C.H. application.
